Councillor Farmer confirmed that we are recording every traffic incident brought to our attention along the A6096. He suggested that we circulate a flyer to all residents who live on or use the A6096 on a regular basis, asking them to inform us of any incidents they become aware of by passing information onto the Clerk to add to the list that we are already compiling. Councillors agreed to the suggestion.

Councillor Hart explained the current process for recording of accidents. Councillor Hart reported that the Police precept has been increased but more Police support has been promised. A list of dates for a Community speedwatch training session had been received from Steve Bowlzer for dates in March. Once a date has been set this information will be passed onto the community.
